

MOTOROLA

THE MOTOROLA V220

Marrying affordability with high quality technology, the Motorola V220 is the ideal mobile companion for savvy professionals and is sure to make the most of on-the-go time. The sleek model V220 is designed to capture life's little moments with its integrated VGA camera and advanced photo messaging – its brilliant color display completes the package. Delivering global capabilities, along with downloadable games and MP3 ring tones, the Motorola V220 is your must have communications tool.

Capture the Urban Jungle

With a built-in one-touch activation camera you can capture every step on your journey through the concrete jungle. Share your life's adventures with friends and family as you snap photos of your expeditions through the subway and beyond. Want to bring memories to life? Just view your digital scrapbook on the Motorola V220's large, vivid color display.

Simulated screen, enhanced to show details.

Mix It Up in Style

Catch favorite tunes when friends call-in with music-quality MP3 ring tones. From apartment to office, this sleek and sophisticated mobile can turn surroundings into a music studio as you create the next big hit by mixing your own ring tones on the MotoMixer. Radio is out, ring tones are in.

Amuse Your Inner Child

Even with a passion for your career, there is always time for a little enjoyment. With the Motorola V220's games, high speed Internet access and downloadable screensavers, pictures and more *, you have all the tools you need to stay connected while having fun on the go. Challenge yourself to reach the highest level of the corporate ladder or your favorite game!
