

MOTOROLA MPx100

All right all you movers and shakers – say hello to the Motorola MPx100 – your new small, sleek companion for work, play and on the go. Be the first to receive, watch and send news via Internet Explorer and chat with friends and colleagues with MSN Messenger Instant Messaging. Stay organized and updated with friends or business contacts by synchronizing either over-the-air, via Bluetooth® Wireless Technology, or the included USB cable. The Motorola MPx100 features integrated Bluetooth® Wireless Technology for both data-centric and voice-centric communications with compatible devices creating the ultimate in hands-free connectivity. Let loose and have fun with the Media Player with MP3 capabilities, the integrated mega pixel camera or check out streaming video* on the large color screen display. A “must-have” for business and leisure wrapped up in a single device that lets you stay connected in 100 countries worldwide where roaming agreements are present, the Motorola MPx100 is the ultimate in mobile.
