

Motorola C650

The new Motorola C650 is a feature-forward, value-packed, compact mobile, designed to let you get the most out of a hectic life. Within its light and small package comes an integrated camera and photo messaging, meaning you can make sure everyone is up to speed with your life. It's a total sensory experience with brilliant full-color display, MP3 ringtone capability and distinctive lighting patterns. Preloaded and downloadable J2ME™ games complete the fun-filled package.

- **Let the Music Play**

Featuring MP3 ringtones, the model C650 allows you to download* real music from your favorite artist to make everyday your own gig. Alternatively, get into the act and compose your own tones. Make high quality ringtones with Motorola's innovative Motomixer™ application. You become the DJ and the model C650 becomes your sound system. You'll be pumping all day long.

- **Share Your Shots**

Get serious with the Motorola C650's brilliant picture capture and review. It's a high resolution (640 x 480) VGA 4x zoom camera with different lighting condition control and image style selection. The phone comes to life with a brilliant, large (128 x 128 pixels) color display, which supports multimedia messaging too.

- **Text and Talk**

You have a choice of handsfree conversation via a headset or the speakerphone feature. Use the Motorola C650 to get your message across in more ways than one – send text messages or multimedia messages including photos, animations, MP3 ringtones and more to friends' MMS compatible phones or PCs.*

- **To the East and West**

Jetlag won't drag the Motorola C650 down. The tri-band technology easily adjusts to your foreign surroundings in more than 100 countries worldwide, so you can talk to your friends whether you're in New York or Paris.**

- **Gotta Work, Love to Play**

Need some time out? Jump into playtime by playing a preloaded game or download a new Java™ game or application with the J2ME™ technology. Then fight the foes in a digital world with the model C650's 5-way joystick. The GPRS-enabled C650 also lets you instantly download mission critical information, wallpapers, screensavers, ringtones and more.* You'll be green with envy.

- **Key Features**
