

Motorola W385

Built on the design of the impressive MOTOKRZR™, the Motorola W385 combines style with simplicity. Blending sleek lines with easy-to-use features, the W385 provides users with everything they want and need without overwhelming technology. With cool colors and an internal antenna, the W385 complements any user perfectly. Offering easy and fashionable communication, the W385 is the complete package for the trendiest of the trendy to the simplest of the simple.

Easy, Breezy & Beautiful

Easy to navigate, the W385 offers user-friendly features and provides the simplest ways to access your phone book, messages, images and more. Offering choice in design, the W385 comes in cool colors, showing off its sleek lines and slim design.

Making the most of it

Make the most of your day. The W385 has class 2 Bluetooth wireless technology to allow you to stay busy and not put anything on hold to take a call. Move freely from the car to the office to the kitchen while using a compatible Bluetooth enabled headset.^{1, 2} To make your life even easier, the W385 allows you to pre-record names of your contacts and simply state their name and your phone will recognize and place the call. Allowing you to take advantage of every moment, the W385 will help you while on the run.

Magic Moments

Moments come and go quickly but with the W385 you never have to miss another one. Use the integrated aGPS location services on a road trip so you can quickly get to your location.³ Once there, you can capture your favorite moments with the included VGA camera and then send as quickly to those that you love via multimedia messaging (MMS).³
