

## **Motorola Hint™ QA30**

No matter where you are, the new Motorola Hint™ QA30 will allow you to enjoy conversational style threaded messaging with the ability to store up to 300 text messages in your inbox and a full QWERTY slider keypad. With a unique black and red, ultra sleek pocketable design, Motorola Hint features a full-color 2.5" widescreen display and provides a best-in-class text messaging experience combined with optimized predictive text capabilities, making it easy to read, create and send messages on-the-go<sup>1</sup>.

### **In Touch. In Control.**

With the advanced message manager on Motorola Hint you can keep track of all your conversations with an intuitive dashboard interface. A full HTML browser and high-speed connectivity ensures instant access with one touch access—at the idle screen—to messaging, and email<sup>1</sup>. Browse the Internet with ease by rapidly scrolling through web pages, zooming in and out and even bookmark your favorite sites. Users can also quickly access GPS<sup>1</sup>, the Internet and camera for a complete on the go package<sup>1</sup>.

### **Unique Design**

Moving beyond the basic flip phone, Motorola Hint's unique sleek design is an optimal size for those who desire power and style. The innovative vertical slider design, unique homescreen, and full QWERTY slider keypad make texting and online access easy for anyone.

### **Music and Photos**

Never miss a beat with an integrated MP3 player on Motorola Hint. It supports up to 8GB optional microSD card storage and has a 3.5mm headset jack for a powerful music experience. You can even navigate through Motorola Hint and listen to your favorite beats with the slider open or closed. The Motorola Hint has a high-speed USB 2.0 connectivity to your PC for fast music transfers from your PC and stereo Bluetooth<sup>®</sup> capability<sup>2</sup> for optimal connectivity. Users can also enjoy a 2.0 megapixel fixed-focus, digital zoom camera which allows for quick photo captures.

Motorola Hint™ QA30 is expected to be available in Q4 2008 in North America. For more information regarding pricing and product availability in your region, please contact your local Motorola representative.

Certain mobile phone features are dependent on the capabilities and settings of your service provider's network. Additionally, certain features may not be activated by your service provider, and/or their network settings may limit the feature's functionality. Always contact your service provider about feature availability and functionality. All features, functionality and other product specifications are based upon the latest available information and are believed to be accurate; however such product specifications are subject to change without notice or obligation.

<sup>1</sup> Network and/or carrier dependent feature, not available in all areas. Airtime, data charges, and/or additional charges may apply. Wireless email functionality requires an email account with wireless server capabilities.

<sup>2</sup> This device supports Bluetooth A2DP-Source, AVCTP, AVDTP, AVRCP-Target, BIP-ImagePush, BPP-SenderDev, DUN-GW, FT-Server, GAVDP, Headset-AG, HFP (1.5) AG, OPP-Client, OPP-Server and Phone Book Access profiles. In order for Bluetooth devices to communicate with one another, they must utilize the same Bluetooth profile. To determine the profiles supported by other Motorola devices, visit [www.hellomoto.com/bluetooth](http://www.hellomoto.com/bluetooth). For other devices, contact their respective manufacturer.

Certain Bluetooth features including those listed may not be supported by all compatible Bluetooth-enabled devices, and/or the functionality of such features may be limited in certain devices, or by certain wireless carriers. Contact your wireless carrier about feature availability and functionality.

<sup>3</sup> All talk and standby times are quoted in Digital Mode, and are approximate. Battery performance depends on network configuration, signal strength, operating temperature, features selected and voice, data and other application usage patterns.
