

Dan Dery

Vice President, Global Product Leader Lenovo Mobile Business Group (MBG)

Dan joined Lenovo in July 2016 to lead all product functions for the Mobile Business Group, including both Lenovo and Motorola Global Product Development teams, Software Engineering, Consumer Experience Design, Portfolio Planning, Product Management and Program Management. Before coming to Lenovo, Dan was the CMO and VP of Global Marketing, Design, and Products at TCL Communication. His extensive background in driving product success is complimented by his past experience working with Motorola when he was the VP of Mass Market Portfolio based in China from 2010-2012. Dan's experience also includes strategic roles at Philips Mobile Phones, Altran Technology and France Telecom. He holds an engineering degree from the Institute Supérieure d'Electricité de Paris and a master's in advanced computer science from the Ecole Supérieure d'Electricité. Dan is currently based in Hong Kong.
