 CUT ALONG DOTTED LINE

Recycling your old mobile phones and other wireless devices is simple, and it's free:

1. If you're including batteries, please ensure that the battery is fully discharged and your phone is powered off. Please do not include any loose batteries.
2. Place phones in appropriate packaging/envelope. There's no need to add extra packaging materials.
3. Print the pre-paid postage and affix it to the package. Make sure any previous delivery address and barcodes are covered.
4. Drop off the package/envelope in the mail.

**Are you a school sending in phones for payment?
 This postage is not for schools' use. Schools should be sure to send phones to:**

Motorola Recycling Center
 2555 Bishop Circle West
 Dexter, MI 48130

This will ensure your school is issued a check for your shipment.
